

ESI Technologies Group, part of the Indutrade Group, is the leading supplier of Process Equipment & Engineering Solutions into the Pharmaceutical, Chemical and Biotechnology Industries in Ireland & UK. The continued expansion of our Irish and UK Sales Operations has resulted in the requirement for the following position:

**Stores Operative – ESI Technologies Ltd**

Reporting to the Operations Manager, this position will be based in our Cork Headquarters located in North Esk Industrial Estate, Dunkettle, Co.Cork.

This is a contract project based role (initial 12 months) incorporating responsibilities for the handling of Inventory, Picking, Packing, & Shipping product to support our business portfolio.

**Duties of the Role include:**

- Responsibility for Handling, Checking Goods Inwards / Goods Outwards &, Inventory Control functions of main stores.
- Operation of related company equipment such as Counter Balance & Reach Forklifts.
- Ensure that the appropriate safety guidelines including the use of personal protective equipment are adhered to.
- Upkeep / maintenance of stores area, equipment & assets.
- Adherence to companies ISO 9000 Quality, and Health & Safety procedures.
- Other duties as required to support company business.

**Ideally the candidate would possess the following skills/experience:**

- The ability to work on your own initiative and also as part of a team.
- Excellent organisational skills.
- Excellent interpersonal / communication skills.
- A flexible and innovative approach to work.
- Ability to work with company Inventory Management & other company IT systems.
- Forklift/Counterbalance & Reach truck experience.

This is a great opportunity for an organised & motivated person, interested in developing their skill sets by joining a company with a focus on supporting our Irish operations, & being part of a growing team.

Remuneration package is commensurate with experience.

Job Type: Initial 12 months contract.
