

ESI Technologies Group, part of the Indutrade Group, is the leading supplier of Process Equipment & Engineering Solutions into the Pharmaceutical, Chemical and Biotechnology Industries in Ireland & UK. The continued expansion of our Single Use business has resulted in the requirement for the following position:

Company Accountant

Reporting to our Finance Manager based in Ireland, this position will be based in our UK Cwmbran subsidiary office – supporting our UK based Operations. Responsibilities will include:

Duties of the Role include:

- Manage all cut off reports for debtors, creditors, intake reports, sales orders, unbilled quotes and margins.
- Conduct monthly stock reports and verify with departments re Skid/ Fabrication.
- Analyse and Update Monthly Sales KPI reports/ product.
- Preparation of management accounts for ESI tech for Indutrade deadlines.
- Management of Accounts Receivable.
- Processing invoices/payments/cash forecasting for Accounts Payable.
- Other related duties as deemed necessary by company management to support this role.

Ideally the candidate would possess the following Knowledge, Skills & Experience:

- Proven working experience as an accountant in a relevant field.
- Thorough knowledge of accounting and corporate finance principles and procedures.
- Excellent accounting software user.
- Strong attention to detail and confidentiality.
- Preferably Advanced degree in Accounting.

This is a great opportunity to join a growing department, within an already well-established company, as part of the Indutrade group.

Job type: Permanent

Remuneration package is commensurate with experience.
